## INDUSTRIAL ROBOTICS & AUTOMATION EXPO

**AUTOMATE  
VIRTUALLY  
ANYTHING**

**9:00 - 4:00**

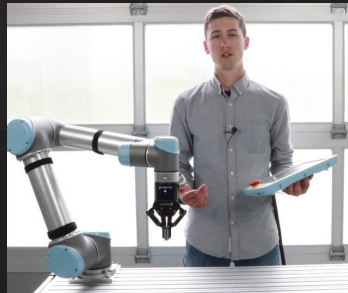

John Henry Foster is excited to present the latest in industrial robots and automation at our one-day event and expo at the **Doubletree by Hilton** in Bloomington from **9:00 a.m. to 4:00 p.m.** Get an in-depth look at how robotic automation works and the differences between traditional and collaborative robots. Mingle with industry representatives and subject matter experts to discuss which solutions might be a good fit for your business applications. Live demonstrations will be held throughout the day allowing you to get an up close and personal look at how easily they can be programmed to perform certain tasks. There will also be brief presentations on Universal Robots and Kawasaki throughout the day. **Lunch served** from 11:00 - 1:00 p.m., with snacks throughout the day.
