JOHN HENRY FOSTER'S INDUSTRIAL ROBOTICS & AUTOMATION EXPO

11.29.2017

INDUSTRIAL ROBOTICS & AUTOMATION EXPO

**AUTOMATE
VIRTUALLY
ANYTHING**

11:00 - 2:00

John Henry Foster is excited to present the latest in industrial robots and automation at our expo at the **Riverport Conference and Event Center** in Winona from **11:00 a.m. to 2:00 p.m.**, come and go as you please. Get an in-depth look at how robotic automation works and the differences between traditional and collaborative robots. Mingle with industry representatives and subject matter experts to discuss which solutions might be a good fit for your business applications. Live demonstrations will be held allowing you to get an up close and personal look at how easily they can be programmed to perform certain tasks. **Lunch** will be available along with refreshments.
