

IMPORTANT TAX DEDUCTION FOR EQUIPMENT

IRS SECTION 179

Thanks to IRS Section 179 and bonus depreciation guidelines of the Federal Tax code, businesses (large or small) investing in new equipment may be eligible to deduct 100% of the purchase price of the equipment purchased in that current tax year. IRS Section 179 allows qualifying equipment of up to \$1,050,000 annually to be fully deducted in the current tax year as opposed to spreading it out over the life of the equipment. In addition, bonus depreciation is allowed for amounts in excess of the Section 179 limit so that 100% of any new equipment purchases can be deducted in that tax year. **Please contact your tax advisor to see if your business qualifies for the deduction.**

Why Act Now?

- Significant tax relief for businesses investing in qualifying equipment
- The Section 179 and bonus depreciation deductions can be taken on qualified equipment that is either financed or purchased and put into service between September 27, 2017 and December 31, 2022. (see page 2 for ways you can finance a robot)
- These favorable tax treatments may change as a result of the 2020 election so we encourage all of our customers to act quickly to take advantage of these deductions.

2021 SECTION 179 EXAMPLE CALCULATION

Equipment Purchases:	\$1,150,000
First Year Write Off: ((\$1,000,000 = maximum in 2018 and adjusted annually))	\$1,050,000
100% Bonus First Year Depreciation: (updated to 100% via Tax Cuts and Jobs Act)	\$100,000
Normal First Year Depreciation: (20% in each of 5 years on remaining amount)	\$0
Total First Year Deduction: ((\$1,050,000 + 100,000 + 0))	\$1,150,000
Cash Savings: ((\$1,150,000 x 21% corporate tax rate))	\$241,500
Equipment cost after Tax: (assuming a 21% corporate tax bracket)	\$908,500

John Henry Foster (JHFoster) is a leading distributor and service provider of automation, robotics and compressed air systems. Our mission is to assist companies like yours automate their manufacturing applications to make the process a positive journey. We are committed to providing successful solutions that exceed production demands, reduce costs, and increase overall efficiencies.

Headquartered in Eagan, MN, with an advanced robotics training facility and in-house UL 508A and UL 698A certified control panel shop, we also offer a fully-equipped team of mobile technicians who provide service to the 5-state area. Contact us today at 800.582.5162, solutions@jhfooster.com or visit us at jhfooster.com to learn more about how you might benefit from knowing us.

CAN'T FIND HELP? HIRE A ROBOT.

Robots at Your Service

3 Financing Program Solutions

John Henry Foster wants to make it easier than ever for you to get the equipment you need to maximize the potential of your business. Hire our robots! Our rental robots are easy to program, fast to set up and flexible. We offer 3 financial solutions so you can hire your robot immediately!

Financing

We have partnered with U.S. Bank to work one-on-one with you to finance a robot for a low monthly fee, no matter how many hours your robot runs.

- No early payment penalties after 12 months
- 12-84 month transactions with a variety of end-of-term options

Rental

Renting gives you the opportunity to try out the robot with reduced risk if you are limited by your capital expenditure budget.

- Choose variable contract lengths starting at three months
- Purchase the equipment at the end of the term at fair market value and when budget becomes available

Deferred Payments

Pay a small up-front cost and delay payment start date.

- You get equipment now and defer payments until a later date
