

Condensate Drains

John Henry Foster offers the following three “time proven” drains to handle all your system requirements. Zero air loss drains often qualify for energy efficiency rebates so please inquire with your local power provider.

DRAIN-ALL

The workhorse of our drain offerings featuring a pneumatically operated “zero air loss” design along with heavy duty components for systems requiring the highest level of reliability.

Model# DH50-OLAAA

\$930.00

BEST

WATER HOG

This “Little Brother” of the Drain-All features the pneumatically operated “zero air loss” design, but on a smaller scale for systems up to 100 hp.

Model# LH50-OLA AW

\$410.00

BETTER

NANO TIMER DRAIN

This economical drain features adjustable on/off timing along with a built-in strainer and shut-off valve, 115 volt with 6' cord.

Model# NPTD-12115B

\$158.00

GOOD

John Henry Foster (JHFoster) is a leading distributor and service provider of automation, robotics and compressed air systems. Our mission is to assist companies like yours automate their manufacturing applications to make the process a positive journey. We are committed to providing successful solutions that exceed production demands, reduce costs, and increase overall efficiencies.

Headquartered in Eagan, MN, with an advanced robotics training facility and in-house UL 698A and UL 508A certified control panel shop, we also offer a fully-equipped team of mobile technicians who provide service to the 5-state area. Contact us today at 800.582.5162, solutions@jhfooster.com or visit jhfooster.com to learn more about how you might benefit from knowing us.
