

SUBSCRIBE TO OUR Compressed Air Service Protection Plan

Discover Additional Savings

- No excessive freight charges - all parts delivered by technician
- No internal handling of components - technician performs install and removal
- No disposal charges - handled by technician after removal
- Regular maintenance = less failures
- One initial PO vs. multiple when ordering parts or service

Knowing your equipment and hours run, we schedule maintenance throughout the year to best service you. We are available 24-hours, 365 days a year.

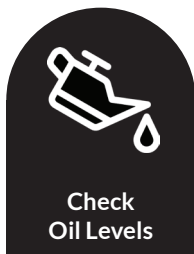

On our Service Protection Plan, you're getting factory-trained service techs every time and genuine parts throughout the year to help you stay within warranty standards.

Having an issue with your equipment? Under our Protection Plan, you'll receive priority status for emergency and same-day service, if needed.

Stay focused on your business, not maintenance

John Henry Foster (JHFoster) is a leading distributor and service provider of automation, robotics and compressed air systems. Our mission is to assist companies like yours automate their manufacturing applications to make the process a positive journey. We are committed to providing successful solutions that exceed production demands, reduce costs, and increase overall efficiencies.
