

Condensate Drains

JHFOSTER offers the following three “time proven” drains to handle all your system requirements. Zero air loss drains often qualify for energy efficiency rebates so please inquire with your local power provider.

DRAIN-ALL

The workhorse of our drain offerings featuring a pneumatically operated “zero air loss” design along with heavy duty components for systems requiring the highest level of reliability.

Model# DH50-0LAAA

\$980.00

BEST

WATER HOG

This “Little Brother” of the Drain-All features the pneumatically operated “zero air loss” design, but on a smaller scale for systems up to 100 hp.

Model# LH50-0LAAW

\$480.00

BETTER

NANO TIMER DRAIN

This economical drain features adjustable on/off timing along with a built-in strainer and shut-off valve, 115 volt with 6’ cord.

Model# NPTD-12115B

\$169.00

GOOD

JHFOSTER, a Tavoron company, is a leading distributor of automation components, compressed air systems, industrial robots and motion control technology serving the upper Midwest. For more than eight decades, JHFOSTER has partnered with the top industry suppliers to provide the most leading-edge technology – allowing our customers to stay ahead of the competition.
