

# UPGRADE YOUR AIR COMPRESSOR

In Stock Gardner Denver  
Rotary Screw Compressors

24/7 EMERGENCY  
SERVICE  
**800.582.5162**

Struggling with lead times, compressor downtime, or outdated equipment? JHFOSTER delivers quiet, efficient Gardner Denver L-Series AirStations™ no more waiting months or dealing with high-maintenance systems.

## WHY UPGRADE WITH JHFOSTER?

### **ALL-IN-ONE DESIGN**

Each unit includes a 120-gallon tank, refrigerated dryer, and high-efficiency filtration, preassembled and ready to run.

### **QUIET, RELIABLE OPERATION**

Enclosed cabinet and quality components keep noise down and performance up.

### **CONTINUOUS DUTY RATED**

Built for around-the-clock reliability in demanding environments.

### **SMART CONTROLS**

Integrated GD Pilot Microprocessor Controller delivers real-time alerts, system diagnostics, and load/unload optimization.

### **TRI-VOLTAGE FLEXIBILITY**

Each unit runs on 208, 230, or 460V—no rewiring needed
